MYRON WILLIAMS
1956-1973

The Class of 1974 remembers with sorrow, the sudden death of our fellow classmate, Myron Williams. One thing that came above all was Myron's love for music. He also had a deep liking for all kinds of sports. Quiet and sensitive, Myron will never be forgotten. He left in our memories the impression of a love that one should always have for the field he plans to pursue.

After the yearbook was completed, the students and faculty of Arts High were greatly saddened by the death of Cheryl Venable, a member of the senior class. We will all miss her generosity and warm smile.

A photograph of a white table with two dark, shadow-like shapes on it, set against a light background. The shadows are positioned on the table, one on the left and one on the right, and they appear to be cast from objects not visible in the frame. The table is white and has some faint lines on it. The background is a light, neutral color.

. . .All is changed with time,
The future none can see . . .

. . . the road you

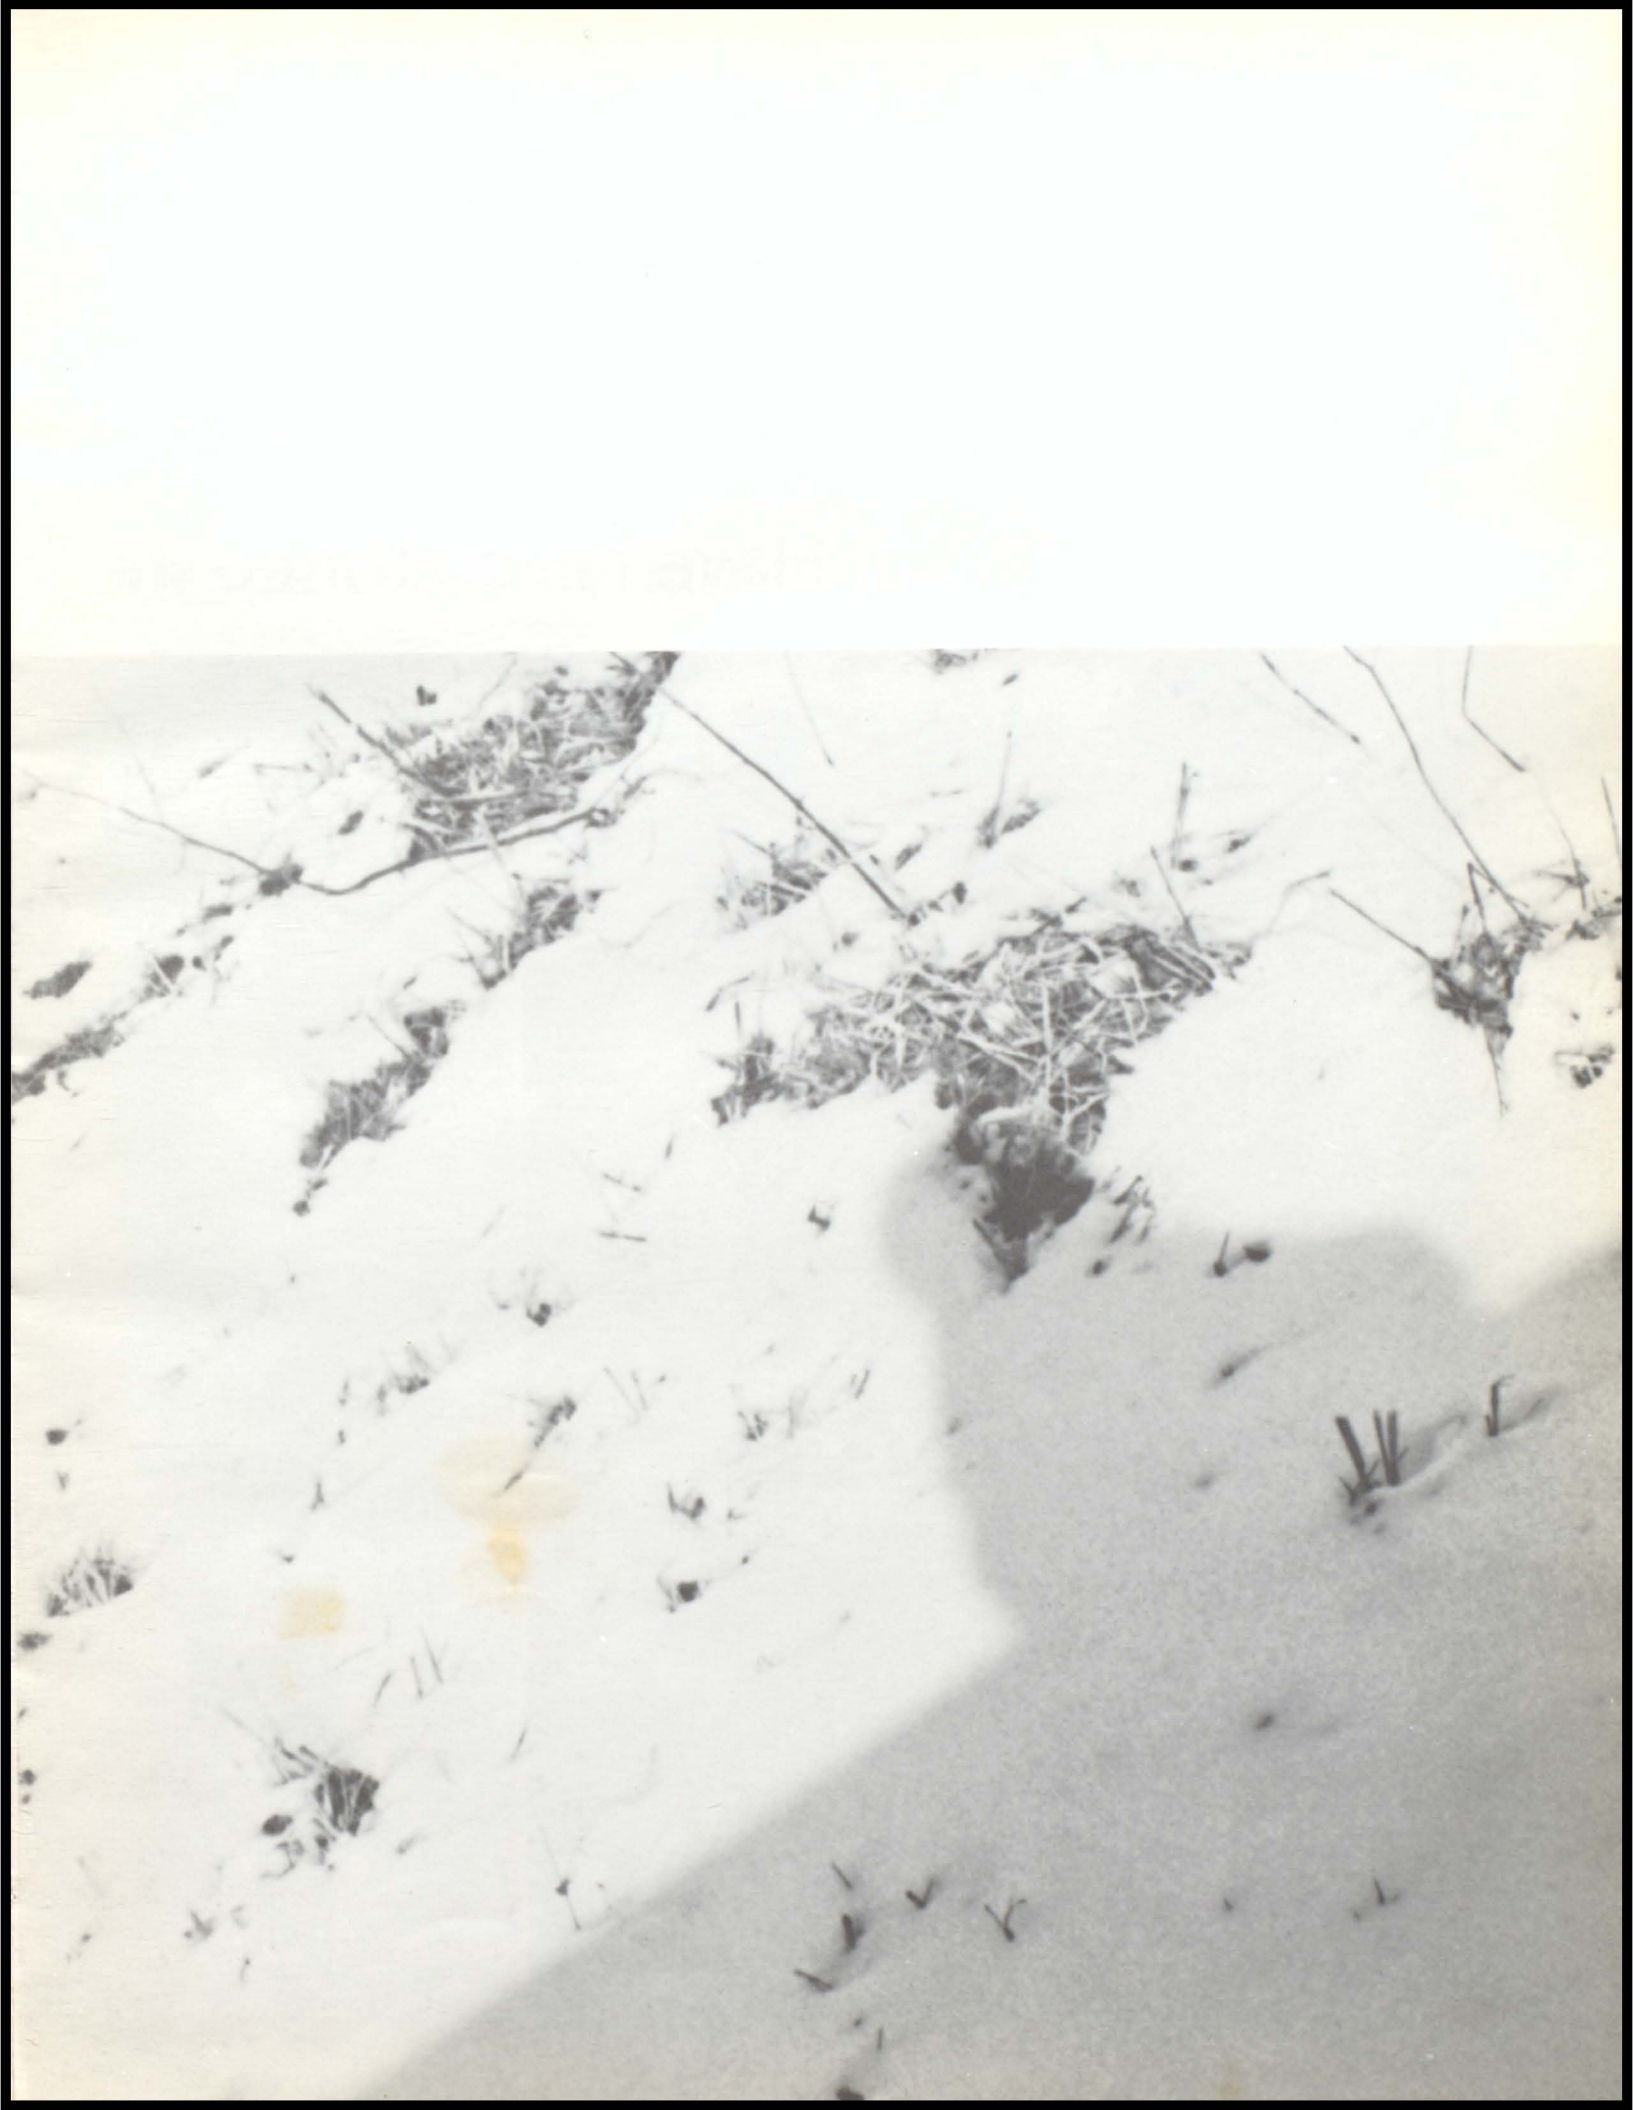

leave behind . . .

. . . . ahead lies mystery.

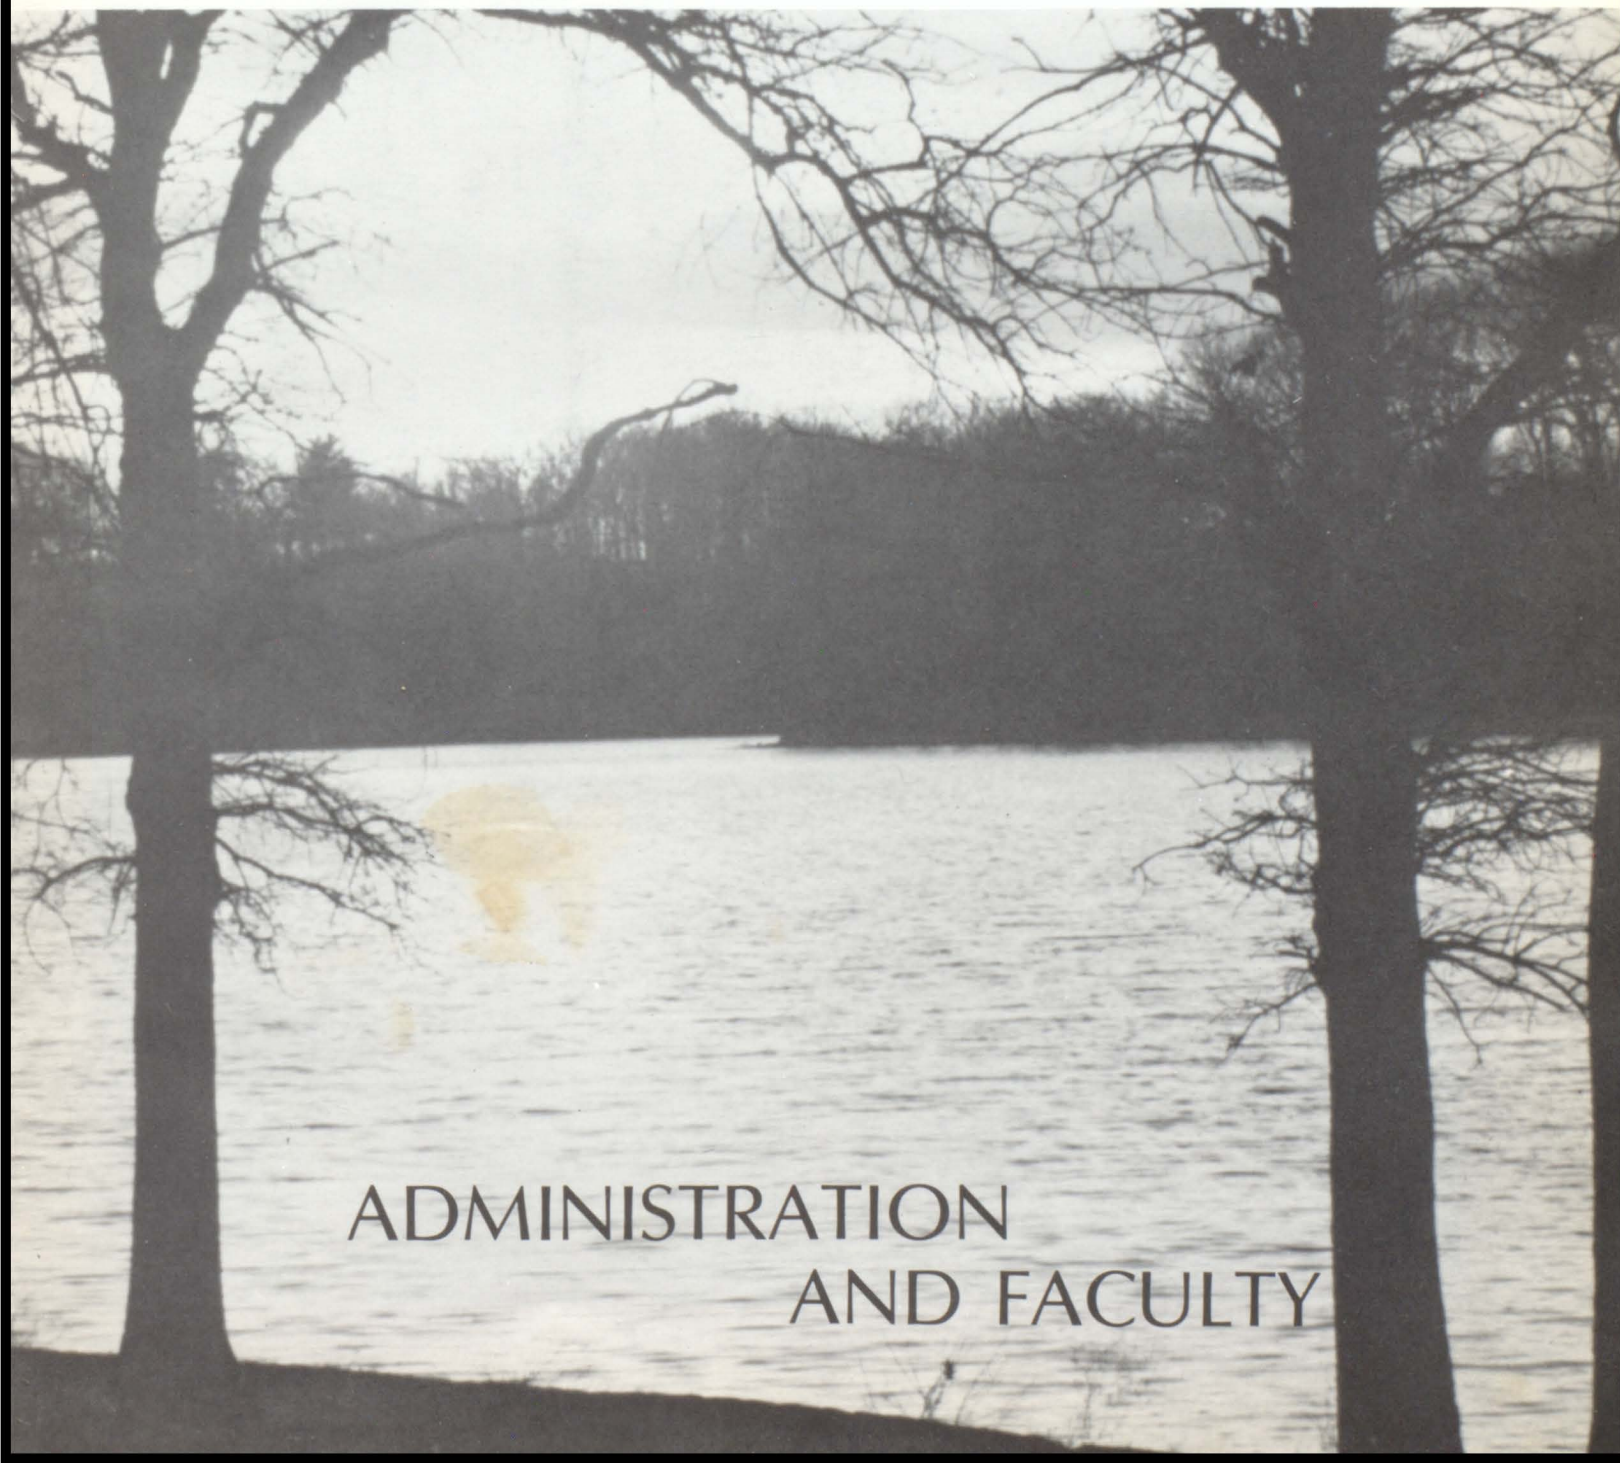

People hand in hand,

Have I lived to see the

milk and honey land?

ADMINISTRATION
AND FACULTY

HILTON J. OTERO
Principal

Socrates said that there was only one good, namely knowledge; and only one evil, namely ignorance. Mr. Otero has tried to implant in us the good, and dismiss the evil. Through his patience, understanding, and dedication to the student body, and his confidence in our abilities, we are progressing toward that ultimate knowledge of what is good and right for us and the world.

GEORGE STEISEL
Vice-Principal

Mr. Steisel, a devoted and well regarded man, has spent many long and difficult hours in sincere dedication to the students of Arts High. Our problems have become his problems, our goals and aspirations have become his interests. We thank you Mr. Steisel.

ALFREDO GENTILE
Teacher to Assist Principal

Mr. Gentile will always be remembered as a strong, but fair man, who has the interest and the goals of the students in mind at all times. Much time and effort is needed to make a school such as ours run smoothly. A great deal of the credit for this belongs to Mr. Gentile.

ACTIVITIES

STUDENT COUNCIL

The Student Council is an organization which is run by students who are officially elected. Led by Florine Chance as mayor and Kevin Slater as deputy mayor, the council controls the student government of Arts High

School. Its biggest project in the 1973-74 school year has been the Student Council Store which sold stationery and candy to the students at low cost. Meetings are held twice monthly. The advisor is Mr. Alan Slavitt.

Pep Squad

SERVICE COMMITTEE

The participants in this committee render their services to the school whenever it's necessary. They act as ushers and hosts at all school functions. So far this year they've serviced Parents' Night, Career Day, Winter Concert, and P.T.S.A. meetings. The high point of the year was their very successful Alumni Day presentation. Decorations and refreshments were prepared and serviced by the committee. Any one who is interested in serving their school may join. Deborah Campbell is chairman and Cyn-drell Parrish is co-chairman. The advisors are Mrs. Mary Venskus and Miss Sandra Cardella.

BLACK ASSEMBLY

This committee's main function is to raise money for school scholarships. Lead by Joyce Perry and Bridget

Bethea and advised by Miss Cardella, the group's principle activity was the Spring production.

NATIONAL HONOR SOCIETY

The National Honor Society aids in many worthy endeavors, such as tutoring, and collections for organizations and causes. The major event of the year is the candlelit induction ceremony held in April. Juniors with

a 3.5 average and Seniors with a 3.2 are eligible to join. Bencilla Campbell, president and Diane Holt, vice president agree with all members and the advisor, Mrs. Venskuskus that joining is an honor well worth preparing for.

Top, left to right, Diane Holt, Bencilla Campbell, Vernell Nelson, Mrs. Venskuskus. Bottom: John Sanders, Michele Johnson, Eli Climbingbear, Ruby Sampson, and Aprile Curvin. Not pictured: Karen Hubbard and Karen Murray.

The main function of the Freshman-Sophomore Council is to raise funds for junior and senior expenses. Skating and bowling parties have been planned. Gary Harrell, and Jackie Thomas, are President and Vice President respectively. Miss Sandra Cardella acts as advisor.

FRESHMAN SOPHOMORE COUNCIL

JUNIOR CLASS COUNCIL

The Junior Class Council plans programs and activities to benefit the junior class. Up until now, they have sold sweatshirts and are tentatively planning a dance, and basketball and volleyball tournaments. Their advisor is Mrs. Green. Beverly Jones, Isaac Dorette, Harriet Hamlin and Deborah Dancy are the student leaders of this active group.

This dedicated group of young men and women have been organized to teach the proper use of lab equipment and to aid the teacher in the preparation of labs.

Membership is limited to the first fifteen students who apply. Meetings are held before and after school daily.

LAB ASSISTANTS CLUB

ART CLUB

The art club is composed of art or music students who desire to have extra practice with materials or techniques unavailable in their regular classes. A new

activity within the group is for the underclassmen to learn layout and design techniques prior to their senior year, so that they can produce a superior yearbook.

Sitting: Harold Showers, Harold Brito, Mark,. Standing: William Winckler, Howard Simpson, John Peterson, James Forester, Alberto Jimenez, Reginald Bellamy.

SPANISH CLUB

The Spanish Club, headed by Mr. Williams, was formed mainly to strengthen interest in the Spanish language and its varying cultures. It also helps those students who need additional tutoring. The group has visited Spanish restaurants, seen Spanish language movies and visited the U.N. This adventuresome group meets on every other Thursday in room 113 at 2:35.

Front Row: Mr. Marcus, Ted DeCagna, Nelson Torres.
Back Row: Doug Austin, Greg Thompson, Alvin Little.

The Stage Crew is very essential for the correct preparation of the stage for all kinds of activities. Very busy with their duties, the Crew helps set up the stage for assemblies, clubs and concerts. Under the leadership of Mr. Marcus, the work of these young men is deeply appreciated by us all.

STAGE CREW

Under the supervision of Mrs. Jeanne Tso, and the hard-driving leadership of Jacqueline Koonce, the African Dance Company is rapidly developing into a semi-

professional group. Their performances were enjoyed by large audiences at Montclair State College and at the Teen Arts Festival in Trenton.

AFRICAN DANCE COMPANY

The Varsity Club, advised by Mr. Marcus, is open to anyone holding a varsity letter. With William McCoy as president, the Varsity Club performs a service to the

school, and recognizes those who have earned varsity letters in various school sports. The highlight of the year is the Sports awards dinner held annually in the Spring.

VARSITY CLUB FASHION CLUB

The fashion club, a fine new addition to Arts this year, is led by Denise Baron and Debra Dimery. A part of the Black Assembly, the club will be putting on shows throughout the year. Highlight of the year was the Black Assembly Scholarship Program on Jan. 25. The high quality of the show was discussed by all who saw it. The models and the advisor, Mrs. Vivian McDuffie should be highly praised for a job well done.

CHESS CLUB

The Chess Club, formed only this year, is open to all students who are interested in studying, and playing the intellectual game of chess. The club has matches with other schools, including West Side and Central. This serious group of students who meet on Tuesdays in room 215 at 2:30 are advised by Mr. Thomas Piazza.

PHYSICAL FITNESS CLUB

The members of the Physical Fitness Club work out, under the direction of Mr. Lang, to help keep themselves in top shape for good health and for greater suc-

cess in competitive sports. This energetic and well built group of athletes meet at 8:00 twice weekly in the boys' gym.

The halls of Arts High ring with the sound of music, coming from Room 310, the chorus room. The school comes alive when its 297 members assemble on our stage for a performance. Some of the highlights of the year have been "Carmen" by Bizet, "Sing Unto God"

by Handel, and the musical "Annie Get Your Gun," by Irving Berlin, which will be the biggest production of the year. This musical will feature the Special Chorus, which is a select group of vocalists at Arts High School.

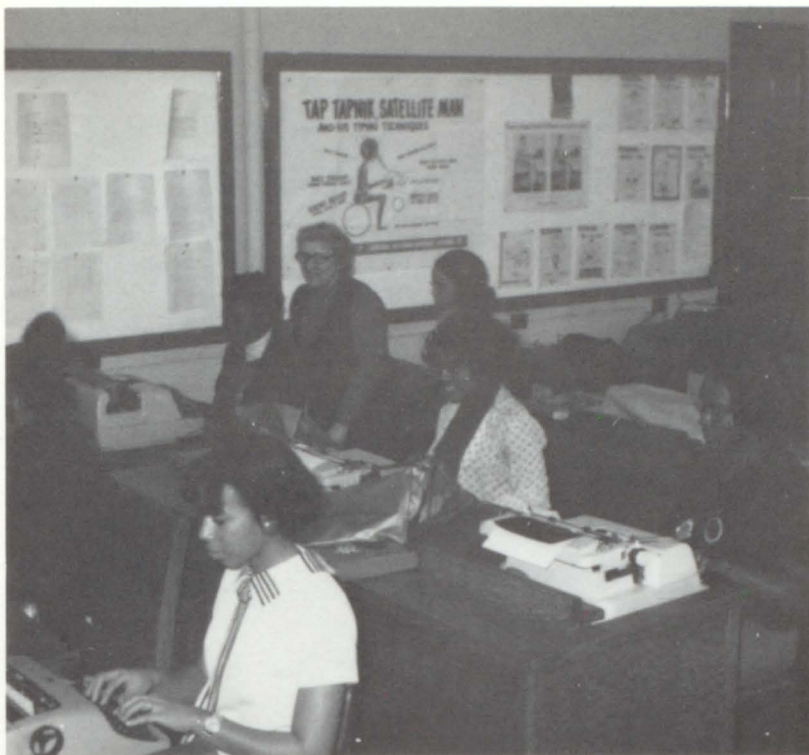

CHORUS

The Arts High Gospel Chorus is dedicated to the ideal of making youth see and understand the words of eternal life. They spread joy and happiness through their musical efforts at concerts in our school and elsewhere. The school will miss Carolyn Lowe, director, Bannie Saunders, assistant director, and Dale Smith who are graduating. However, the word will continue to be spread.

GOSPEL CHORUS

TYPING CLUB

The typing club was formed by Mrs. Ritter to give students extra practice in order to develop their typing skills. Many students have taken advantage of this unique opportunity. There is rarely a day when the typing room is not in use.

SCIENCE CLUB

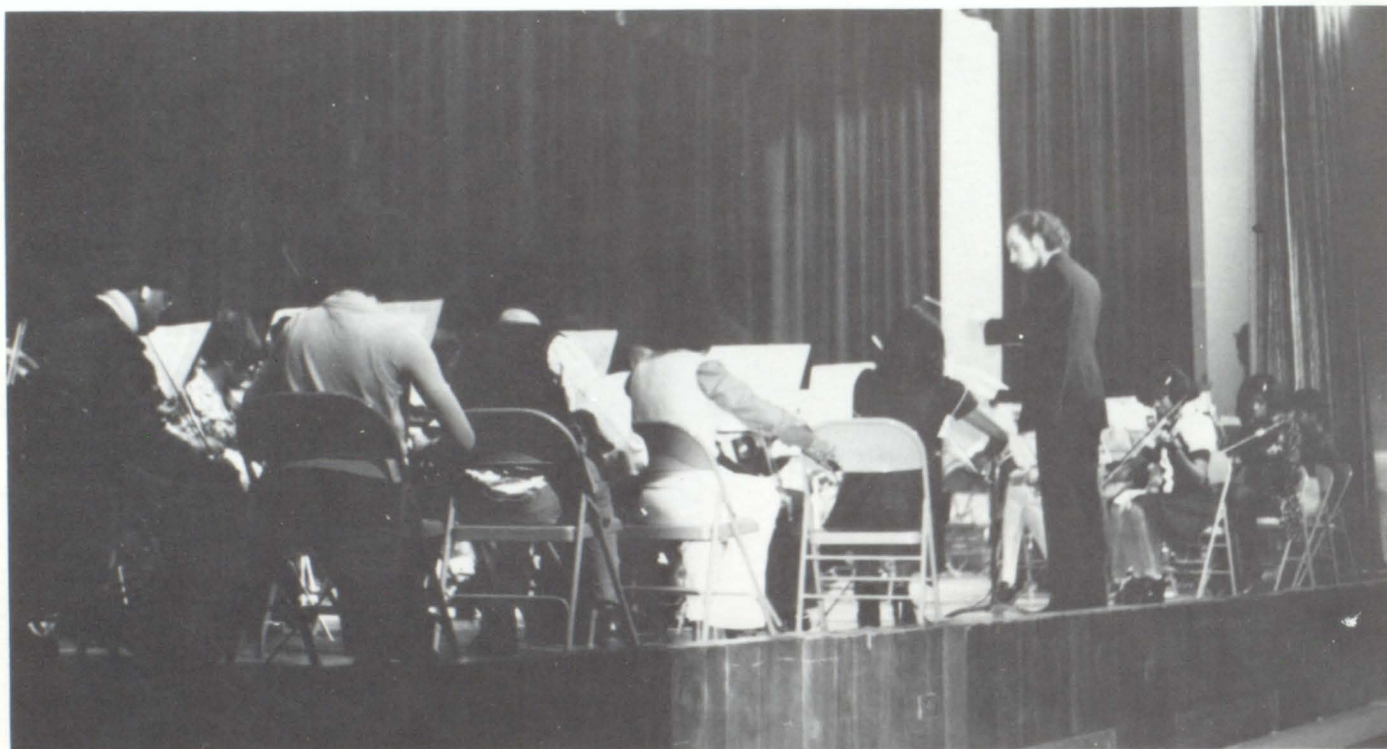

The purpose of the Science Club is to explore methods of practical application of scientific knowledge. The principle project this year was collecting bottles and making useful products from them. Anyone interested

in science or ecology may join this group. Mrs. Venskus is advisor. The officers are Pamela Hudson, Carla Robinson, Valerie Hooper and Yolanda Collier.

ORCHESTRA

Anyone who really appreciates good music will enjoy the expertise of the Arts High School Orchestra. This dedicated group of music students shows great performing competence. It is a wonderful thing to hear

them at the Winter and Spring Concerts. Mr. Karpen, the director, and Neptune Pringle, student director, should be proud of the results of their labor.

This group of singers performs at school concerts. They exhibit a high degree of talent. Under the direction of Mrs. Shapiro, they practice twice a week to perfect their knowledge of three-part harmony. The highlight of the year was their fine performance at the Winter Concert.

GIRLS' GLEE CLUB

Arts High's Band has excelled greatly in its musical exhibitions this year. Carole King's "Tapestry" and "Procession of the Sarder" by Elvanov, were two of the many compositions performed which showed their fine skill. Another division is the Marching Band which takes part in all parades during the school year. We thank Mr. Reuben Singer for his outstanding leadership.

BAND

SENIOR CLASS COUNCIL

Senior Class functions, such as the Senior Prom, the class trip, social functions, and graduation could not be carried out smoothly without the help of the Senior Class Council. Held once or twice a week, the Senior Class Council meetings offer seniors an opportunity to participate in running the school government and to expand their personal growth. Meetings are led by Robin Dawson, President, and William Allen, Vice President. Miss Adrienne Raff, advisor, endlessly contributes ideas for the stability of the Senior Class. Sabrina Slater, Secretary, and Doreen Fletcher, Treasurer, have also contributed a great deal toward the success of the Senior Class.

ART

Very few people understand the complex task of producing a quality yearbook. Both the art and literary staffs, guided by Mr. Carden, now understand! For the first time, the majority of the photographs used were taken by the staff, which included Louis Allen, Reinaldo Padilla, Donna Davis and Robert Lewis, a junior. Layouts and photograph cropping were done by Rochelle Foushee and Michelle Muldrow with the help of underclassmen from the Art Club and other yearbook staff members. Diane Williams and Vanessa Hill headed a hardworking group of writers and typists. The dedicated students who saw the yearbook through to completion should be congratulated.

LITERARY

Jan Carden, Advisor

Although the yearbook staff was actively involved in the production of the yearbook, there was one person behind the lines who was not only a strong guide and teacher, but also a hard worker. Without him, there would have been no Vignette 1974.
